PREFACE.

The data contained in the following pages has been transcribed from the manuscript titled: Records of the Bureau of the Census, Nansemond County, Virginia, 1850 (pp. 255-434), now in the National Archives of the United States.

The heading of the manuscript's first page reads: "Free Inhabitants in the County of Nansemond, State of Virginia, enumerated by me, on the 30th day of July, 1850, Benj^{a} Riddick, Ass't Marshal." He finished his task on November 22, 1850.

Statistical information concerning each "Head of Household" and the people listed under his or her name is contained in thirteen divisions. Of these, nine have been selected as being appropriate for this compilation:

1. Dwelling houses numbered in the order of visitation.
2. Families numbered in the order of visitation. (Numbers 1 and 2 run concurrently.)
3. The name of every person whose usual place of abode on the first day of June, 1850, was in this family.
4. Age.
5. Sex.
7. Profession, occupation, or trade of each male person over 15 years of age.
8. Value of real estate owned.
9. Place of birth, naming the State, Teritory, or Country.
10. Married within the year.

Deleted from the original manuscript are the names of slaves, "free people of color," and paupers; nor have references to the deaf and dumb and the blind and insane been retained. The word "Laborer" (frequently encountered in No. 7) has likewise been discarded, being of no general interest. Most of the inhabitants are listed in the manuscript as having been born in Nansemond County, Virginia, hence no birthplace is herein noted; only the birthplace of persons born elsewhere is given. Placed in columns properly titled, the information by each name in the following pages would follow this pattern:

1-2	3 Head of House-hold and Family	4 Age	5 Sex	7 Profession or Trade	8 Value of Real Est.	9 Place of Birth
1.	John R. Kilby	30,	M.	Attorney at Law	$2500	Hanover Co., Va.
	Martha Ann Kilby	33,	F.
